### SILICON VALLEY QUAKEs

[www.bbquakes.com](http://www.bbquakes.com)

The Quakes are entering our 14th season of NorCal Roller Hockey. We've had success at local and National tournaments, participating in AAU Junior Olympics, Narch Finals and Winternationals, Top Cat, Koho Cup, TPC. The Quakes have placed over 20 of their players on respective USA Junior Prospects teams which participate in the International Division of the Junior Olympics, also representing California for their State Wars Teams. Many of our players have also gone on to find fun and success in the College level as well.

**Quakes Mission Statement:** Our goal is to bring families and friends together to teach young players hockey and life lessons in a positive environment. Improvement of hockey skills and competitiveness are very important, but not the only focus of our club. Our kids have made life long friendships and have experienced things through hockey that they will carry with them throughout their adult lives.

Practices are generally held on Sundays between 7 AM to 1 PM at Rollin' Ice. We expect all players to make every effort to attend all practice. If any conflicts arise with either practices or tournaments they should be brought to the attention of the coaches as early as possible. All players are expected to be available for the following events.

- Weekly Practices
- Monthly regional qualifying tournaments throughout California
- AAU Winternationals in late December 09 and Narch Winternationals early January 2010
- West Coast Nationals Memorial Weekend in May, Corona CA
- Junior Olympics, Los Angeles area and NARCH Finals, San Jose

Dues will be collected three times during the season — October 1, 2009, January 1, 2010, and April 1, 2010 this covers practice, one tournament per month, and monthly operating expenses for our club. Fees do not cover uniforms, those are additional expenses that will be collected as appropriate.
